

Husqvarna TC 220TD

\$8,250.00 +GST

SKU:209588

An excellent opportunity to secure a near-new, low-hour Husqvarna TC 220TD rear-collecting Ride-on. With only 15 engine hours on the clock, this machine offers a significant saving over buying brand new.

Built for large residential properties and lifestyle blocks, it features a high-capacity 300-litre rear collector. This unit comes complete with an added rear deflector chute, giving you the flexibility to cut without the collector bag when required.

Key Specs:
