

Lemken Smaragd

\$6,500.00 +GST

SKU:209258

A versatile and proven LEMKEN Smaragd 7 3m Stubble Cultivator
Cultivator designed for stubble cultivation, residue incorporation, weed control and seedbed preparation.
The Smaragd 7 features tines followed by levelling discs and a rear roller. The tines loosen and mix the soil, the discs level the ridges and the rear roller consolidates the surface for a good finish.

- 3m working width
- 80-120mm working depth
- 100hp+ tractor recommended
- Tines, levelling discs and rear roller
- Suitable for loam through to medium/heavy soils
