

2021

WAVE RUNNER

ENDLESS  SUMMER

There is nothing like getting out on the open water, breathing in the fresh air, feeling the warm sun on your back and sharing amazing experiences with your friends and family.

ENDLESS  SUMMER

Whether you're into exploring your local waterways, hitting the surf, towing the kids on a tube, racing your mates or simply casting a line - Yamaha WaveRunners deliver endless on-water fun, thrills and adventure.

A reputation for producing the most reliable and highest quality watercraft in the industry, means you'll spend less time in the workshop and more time out on the water, discovering the endless possibilities that New Zealand's great outdoors has to offer.

With the incredible versatility, legendary reliability and outstanding performance of a Yamaha WaveRunner - you too will experience an Endless Summer.

Endless
/end-less/

ADJECTIVE

Infinite; having
or seeming to have
no end or limit.

LEGENDARY RELIABILITY

An unrivaled reputation for starting first-time, everytime and the comfort in knowing you will make it safely back to the ramp.

With Yamaha, it's all about Endless Summer fun.

POWERFUL MARINE-GRADE ENGINES

Purpose-built marine engines designed to take on the harshest New Zealand conditions.

Less maintenance, less costs, more vroom.

OPEN LOOP COOLING SYSTEM

Industry's most effective and reliable cooling system design, as used by 99% of marine manufacturers across the globe.

Trouble free boating ensures you keep your cool this summer.

LIGHTWEIGHT & DURABLE HULLS

Industry leading high-compression moulding and NanoXcel® technologies for strong yet feather-light hulls and decks.

Hold on tight for an unbelievable power-to-weight performance.

#YAMAHA ADVANTAGE

Not all personal watercraft are created equal.
Don't take our word for it, test ride and see for yourself.

JAPANESE QUALITY

Uncompromising attention to detail, precision engineering and a focus on continuous improvement.

There's simply no comparison, when it comes to quality, finish and performance.

JOURNEY FURTHER

The most fuel-efficient watercraft in the industry.

Less time and money on fuel.
More on water awesomeness.

THREE YEAR WARRANTY

We stand behind our products and were the first to offer a three year warranty as standard.

So sit back, relax and enjoy your time on the water.

BETTER RESALE

When it finally comes time to sell and trade-up, you will never be disappointed.

Pre-owned WaveRunners attract more bucks for less hassle.

ENDLESS  SUMMER

INNOVATIVE CONTROL SYSTEM

Yamaha's patented RiDE™ (Reverse with Intuitive Deceleration Electronics) system provides a simple and intuitive way to control your WaveRunner when decelerating, reversing and turning.

Whether launching off a trailer, docking in a tight spot or slowing down in a hurry, RiDE™ makes manoeuvring your personal watercraft effortless.

THE WORLD'S FIRST DUAL THROTTLE HANDLEBAR CONTROL SYSTEM

RiDE
REVERSE WITH INTUITIVE DECELERATION ELECTRONICS

HOW RIDE™ WORKS

There's no manual shifting, no gears,
no complicated process -
just effortless and intuitive control.

DECELERATE/REVERSE

Pull the left throttle trigger (RiDE™)
to decelerate and reverse.
Release the trigger for neutral.

ACCELERATE

Pull the right throttle trigger to
move forward and to accelerate.
It's that simple!

#YAMAHA TECHNOLOGY

INDUSTRY LEADING MARINE ENGINES

Designed and manufactured in Japan, Yamaha WaveRunners purpose-built marine engines continue to lead the industry in innovation, quality and engineering excellence.

CUTTING-EDGE HULLS AND DECKS

Built and assembled in the USA, our hulls and decks use high compression moulding and cutting-edge material compounds to achieve industry leading weight, strength and on-water performance.

SMC HULL

Yamaha's Sheet Moulded Compound (SMC) marine-grade fibreglass, uses high-strength reinforced composite material (not plastic) for a tough, high-quality finish.

NANOXCEL LIGHTWEIGHT HULL

Our patented NanoXcel material, uses nanotechnology to deliver a 25% weight reduction over traditional hulls for improved power-to-weight, fuel economy, speed and handling.

NANOXCEL2 ULTRA- LIGHTWEIGHT HULL

Yamaha's patented NanoXcel2 ultra-lightweight material is almost 40% lighter than traditional hulls, helping Yamaha win countless New Zealand and World Championships.

The 2021 lineup of WaveRunners continues Yamaha's longstanding commitment to innovation, style and performance.

This year's lineup features an all-new VX Series that offers Connex digital display technology, integrated speakers, and a more ergonomic design.

New enhancements to the championship winning GP Series include an industry-first auto trim system for enhanced responsiveness and handling, and a sleek race-inspired redesign.

The new 2021 SuperJet offers a revolutionary way to ride a stand up personal watercraft on the open water.

To round out the 2021 line-up, Yamaha has updated the colours and graphic kits on the popular luxury performance FX Series and the extremely fun and affordable recreational light EX models.

Professional riders on a closed course

ENDLESS  SUMMER

2021 LINEUP

Yamaha's 2021 lineup offers more unique options, features, and styles than ever before. Whether you prefer leisure cruises with the family, luxury features and styling, or tearing up the water on your own, there's a WaveRunner for every kind of riding style.

REDESIGNED FOR A PREMIUM

A couple is riding a Yamaha WaveRunner on a lake at sunset. The man is driving, and the woman is sitting behind him. They are both wearing black life jackets. The water is splashing around the jet ski. The sky is a mix of orange, yellow, and blue, with some clouds. The background shows a line of trees on the shore.

EXPERIENCE

The all-new VX Series has been re-imagined with premium new features at an incredible value. High-quality integrated speakers on the Limited models give you the option to bring your favourite songs along for the ride.

New Connex[®] digital display technology, with a convenient touchpad, offers more access to the WaveRunner experience. And with Yamaha's standard features like RiDE[®], the VX series offers a feature-packed way to enjoy your time on the water.

 *Endless versatility.*
