

E36ZS Compact Excavator

22.2 KW @ 2,400 RPM

JOHN DEERE

With its compact size and zero-tail-swing design, the small but mighty E36ZS Excavator manoeuvres easily within close quarters.

With impressive stability, dig depth, and reach, it's plenty productive. The spacious cab and smooth, intuitive controls provide day-long comfort and operating ease.

Power/economy modes, minimal maintenance, and large fuel tanks help keep uptime up and expenses down so you can boost productivity at a low cost.
