

# FRONTIER

Perfect for those who love adventure, but with a bit of extra comfort! The Frontier has a Cub king bed, a swivel-mounted dining table and a plush, Microfibre Leather lounge that converts into an additional double bed. The Frontier also comes with the rear wall with a window as standard.

The kitchen features a fold-out shelf, Smev 3-burner stainless steel stove and a stainless steel sink. There's a luggage rack at the front of the trailer, and a 100L heavy duty water tank as standard – no need to use your storage space to carry water on long trips. Like all Cubs, the Frontier sets up in minutes. Additionally, the forward fold design means that if the trailer fits into a campsite, the set-up camper will too! As one of the lightest forward fold campers on the market, towing is a breeze.

*All model specification details are subject to change*

*‡ The tare and ball weights are a guide only and will change depending on drawbar layout and accessories fitted to your camper. Please discuss with a member of the Cub sales team prior to purchase. Each Cub Camper is weighed on completion of build and a precise written weigh bridge certificate is then provided.*
