E18ZS Compact Excavator

13.8 KW @ 2,220 RPM

JOHN DEERE

Featuring a zero-tail-swing design and retractable undercarriage, the ultra-capable yet compact E18ZS squeezes more work out of areas where you would normally need a shovel.

Load-sensing hydraulics provide smooth control. Plus its two-speed travel with automatic shifting and small size make this excavator quick and maneuverable, so you can easily move on to the next job.
