

WEEKENDER

The Cub Weekender is the most compact rear-fold camper in the range, designed for travellers who want simplicity without sacrificing comfort. Compact and lightweight, it's easy to tow and quick to set up — you'll be ready to relax in minutes.

Inside, the Weekender offers a spacious bed and clever folding floor space, giving you room to stretch out and unwind after a day outdoors. Built with 4-leaf suspension, it's tough enough for light off-road tracks, making it the perfect companion for weekend escapes and spontaneous adventures.

Every Weekender comes standard with an awning, extending your living space and providing shade and shelter wherever you camp. Practical, reliable, and adventure-ready, the Cub Weekender proves that great getaways don't need to be complicated.

All model specification details are subject to change

‡ The tare and ball weights are a guide only and will change depending on drawbar layout and accessories fitted to your camper. Please discuss with a member of the Cub sales team prior to purchase. Each Cub Camper is weighed on completion of build and a precise written weigh bridge certificate is then provided.
